FOR IMMEDIATE RELEASE

911 C.A.S.P.E.R. SYSTEMS' EMERGENCY READINESS AND FUNDRAISING SYSTEM IS EXHIBITING AT THE PIEDMONT FIRE EXPO, NC

Woolwine, VA, January 15, 2014

911 C.A.S.P.E.R. Systems, is exhibiting their System for Emergency Readiness and Fundraising called C.A.S.P.E.R. (Community Awareness and Stimulus Plan for Emergency Readiness) at the Piedmont Fire Expo on Friday, January 17th, 2014 10:00 a.m. to 5:00 p.m. and Saturday, January 18th, 2014 8:00 a.m. to 5:00 p.m. at the Winston - Salem Entertainment Sports Complex 420 Deacon Blvd. Winston - Salem N.C., with its Distributor Rodney Roberts from Sure-Flo Inc., Booth 212 in the Education Building.

Key points to the C.A.S.P.E.R. System are:

- Provides a unique Fundraising Tool for Non-Profit Organizations to help with Budget Cuts and diminishing Grants. The Fundraising aspect of this System provides a new avenue of donations for Fire Departments, Rescue Squads, Schools and other Non-Profit Organizations, creating a residual stream of donations.
- Provides an Emergency Readiness tool for geographically targeted areas with relevant Alerts and Warnings through FEMA's IPAWS with the added unique feature of providing pictures of Missing Persons
- Provides a way for your local 911 Dispatch(ers) to utilize the C.A.S.P.E.R. LED Display and provide Alerts and Warnings to your Community
- Provides support for Community 'Buy Local' Campaigns.

"I am excited that representatives from 911 C.A.S.P.E.R. Systems can be at this Expo with me" said Rodney Roberts, owner of Sure-Flo Inc., and a Distributor of 911 C.A.S.P.E.R. Systems. "Their C.A.S.P.E.R. System is a very integrated System, and once they grasp how useful it will be for their Non-Profit Organizations they will want to incorporate it into their Organization." Roberts continued to say "I see C.A.S.P.E.R. as being a very valuable Tool for the Fire and Rescue sectors and the Communities the C.A.S.P.E.R. Systems becomes a part of, it's worth the 15 minutes to check it out completely."

The LED Displays are manufactured through Vantage LED Displays. Vantage LED provides and developed the Software that was exclusively designed according to 911 C.A.S.P.E.R. Systems specifications to interact with the LED Displays.
