911 C.A.S.P.E.R. Systems Grows Forward

Woolwine, VA April 4, 2013 ~ 911 C.A.S.P.E.R. Systems, has a Patent Pending System for Emergency Readiness called C.A.S.P.E.R. decides to change their name to better embrace the direction of their Mission. C.A.S.P.E.R. stands for Community Awareness and Stimulus Plan for Emergency Readiness. It is a complete System that helps Non-Profit Organizations with their ongoing quest for Donations. C.A.S.P.E.R. provides a unique fundraising platform to make this process easier for Non-Profit Organizations. Plus it provides Alerts and Warnings for passers-by all while also enhancing 'Buy Local' Campaigns.

"The decision to change our name from 911ThinkSigns to 911 C.A.S.P.E.R. Systems started to unfold due to the fact that C.A.S.P.E.R. has been recognized more for its System than it just being an LED Display" said Chuck Freels, one of the Patent Developers and Vice-President of 911 C.A.S.P.E.R. Systems. "As we present C.A.S.P.E.R. to the Non-Profit Organizations they grasp the multi-use Tool that C.A.S.P.E.R. really is, and everyone just started to call it C.A.S.P.E.R., so we figured, why not just keep it simple and call it that across the board."

"We are excited with the new direction with our name and we are looking forward to this coming year" Freels continued. "C.A.S.P.E.R. is poised to help so many Non-Profit Organizations, Communities and their businesses; we feel that it is a Win-Win-Win for everyone involved."

The LED Displays are manufactured through Vantage LED Displays, who also provides the developed the Software that was exclusively designed according to 911 C.A.S.P.E.R. Systems specifications to interact with the LED Displays.
